Welcome to Threshold Academy.

Threshold Academy is a public charter school located in Ionia County, close to Montcalm County. We welcome students from the greater Belding, Ionia, Palo, Greenville, Orleans, Muir, and Sheridan areas to join our K-6 learning community. We take students who have had a “Head Start” (or had the opportunity for a “Head Start”) and move them forward to the Threshold of Success!

Our school is free (no tuition) and offers small class sizes with increased adult attention in the classroom. As you may be aware, Threshold Academy is committed to providing the highest quality of services and positively motivating students, families, and staff while respecting and encouraging individual differences.

I am the new principal and am very happy to be in such a happy school with a well-prepared, dedicated staff who genuinely care about each child.

The students and staff have made me feel very welcome. I am looking forward to meeting you and preparing for a wonderful school year for 2008-2009 at our Small School with a Big Heart.

Sincerely,

Victoria Simon
Principal
